DETAILED ACTION

Examiner Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael T. Cruz on June 14, 2005.

2. The application has been amended as follows:

IN THE CLAIMS:

In claim 55 line 11, delete "the cost" and insert --- a cost ---.

In claim 56 line 11, delete "the frequency" and insert --- a frequency ---.

In claim 58 line 11, delete "the size" and insert --- a size ---.

In claim 60 line 11, delete "the cost" and insert --- a cost ---.

In claim 61 line 11, delete "the frequency" and insert --- a frequency ---.

In claim 85 line 2, delete "the frequency" and insert --- a frequency ---.

In claim 87 line 2, delete "the size of the data" and insert --- a size of the delivered data ---.

The above examiner's amendment was made to clarify the claims.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

Regarding claim 52, the prior art fails to teach a combination of the steps of:
wherein at least one of said plurality of access devices selectively migrates processing resources to support future processing requests, in the specific combination as recited in the claim.

Regarding claim 54, the prior art fails to teach a combination of the steps of:
wherein at least one of said plurality of access devices selectively migrates program code, in the specific combination as recited in the claim.

Regarding claim 55, the prior art fails to teach a combination of the steps of:
wherein at least one of said plurality of access devices considers a cost of re-obtaining data before selecting which data to store, in the specific combination as recited in the claim.

Regarding claim 60, the prior art fails to teach a combination of the steps of:
wherein at least one of said plurality of access devices considers a cost of re-obtaining data before selecting which data to store, in the specific combination as recited in the claim.

Regarding claim 61, the prior art fails to teach a combination of the steps of:
wherein at least one of said plurality of access devices considers a frequency that the stored data is requested before selecting what stored data to delete, in the specific combination as recited in the claim.

Regarding claim 66, the prior art fails to teach a combination of the steps of:

selectively migrates processing resources via at least one of the plurality of access devices to support future processing requests, in the specific combination as recited in the claim.

Regarding claim 68, the prior art fails to teach a combination of the steps of:
selectively migrates program code via at least one of the plurality of access devices, in the specific combination as recited in the claim.

Regarding claim 69, the prior art fails to teach a combination of the steps of:
considering a cost of re-obtaining data via the at least one of said plurality of access devices before selecting which data to retain, in the specific combination as recited in the claim.

Regarding claim 74, the prior art fails to teach a combination of the steps of:
considering a cost to re-obtain the retain data via the at least one of said plurality of access devices before selecting which data to delete, in the specific combination as recited in the claim.

Regarding claim 75, the prior art fails to teach a combination of the steps of:
considering a frequency that the retained data is requested via the at least one of said plurality of access devices before selecting which retained data to delete, in the specific combination as recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
